O R D E R:-

As per the guidelines of Ministry of New & Renewable Energy (MNRE), Government of India, the State of Andhra Pradesh is implementing renewable energy programmes and formulating very proactive policies in the field of renewable energy for which the New & Renewable Energy Development Corporation of Andhra Pradesh Limited(NREDCAP) is acting as the Nodal Agency at state level. In addition to this, the Government is also planning to encourage the use of new technologies in transport sector viz., Electrical Vehicles (EVs), Battery Operated Vehicles (BOVs) etc, (Two Wheelers. Three Wheelers, Passenger Cars, Light Commercial Vehicles (LCVs), Heavy Commercial Vehicles (HCVs) and Buses) so as to make the Andhra Pradesh a smarter, sustainable and pollution free State. By usage of these vehicles, there shall be substantial reduction of pollution emission levels when compared to the conventional fuel operated vehicles. Hence it is proposed to take up this programme in big way covering the State Transport sector, State Govt undertakings, private entities and other Government Departments. The charging stations of these vehicles shall be equipped with renewable energy sources.

Under the circumstances and after careful examination of the proposal of the Vice Chairman & Managing Director, New & Renewable Energy Development Corporation of Andhra Pradesh(NREDCAP), submitted in the reference read above, Government hereby appoint M/s. New & Renewable Energy Development Corporation of Andhra Pradesh(NREDCAP)as State Designated Agency for the implementation of programmes to encourage the use of new technologies in transport sector Electrical Vehicles (EVs), Battery Operated Vehicles (BOVs) & new technologies in transport sector in Andhra Pradesh State. Further, order that the related schemes to be announced by the Central/State Governments from time to time shall be routed through the State designated agency i.e. New & Renewable Energy Development Corporation of Andhra Pradesh(NREDCAP) in Andhra Pradesh state.

The Vice Chairman & Managing Director, New & Renewable Energy Development Corporation of Andhra Pradesh(NREDCAP) shall take further necessary action, accordingly. The other related departments shall co-operate with the nodal agency in this regard.
